

Privacy statement for event registration at NMF GmbH

We are pleased that you are interested in our website and thank you for your interest! The protection of your privacy is important to us, in the following we have compiled information for you on the processing of personal data in our company.

Collection of personal data

To register for our event, we use an external service provider who collects your data for us on our behalf. This collects personal data for the organization and handling of the event as well as for the settlement of participation fees. This is essentially your contact data (first name, surname, email address, telephone number, company) as well as billing data depending on the desired payment method if necessary (credit card data, bank details or PayPal account data). Details can be found in the respective input forms.

The collection and processing of this data is necessary for the correct initiation and execution of contracts within the framework of the event. The service provider transmits the collected data exclusively to us as the organizer and to affiliated credit institutions for payment processing if necessary and has been obliged to comply with all data protection regulations within the framework of an agreement on order data processing.

At the latest 6 months after completion of the event and the billing, your data will be blocked with regard to tax and commercial retention periods, deleted after expiration of these periods, unless you have expressly consented to further use of your data or a legally permitted further use of data has been reserved by us. A deletion of your data is possible at any time unless other legal bases argue against it and can be done by sending a message to the contact person given below.

Please also note our general data protection declaration of Neue Materialien Fürth GmbH, which is available on our homepage under [Privacy – Neue Materialien Fürth \(nmfgmbh.de\)](https://www.nmfgmbh.de/privacy).

Your rights as affected person

You have a right to get information about your stored data without any charges and a right for correction, blocking, restriction of processing or deletion of this data, if there are no other laws or regulations which are contrary to your request. You have the right to revoke your consent in terms of Article 6 paragraph 1 lit. a)-f) GDPR or Article 9 paragraph 2 lit. a)-j) GDPR at any time. The legality of the processing carried out on the basis of the consent until the revocation is not affected by this. You can send a revocation informally to the contact person mentioned below. Furthermore, you have the right to lodge a complaint directly with the supervisory authority, the Bavarian State Office for Data Protection Supervision or the respective state office in your federal state. If you have any further questions about the collection, processing or use of your personal data, please contact us. The same applies to information, blocking, deletion and correction requests regarding your personal data.
